

Document Stand Simple

Ergonomic benefits

- + The SIMPLE Document Stand can be placed in the ideal ergonomic position between the screen and the keyboard, permitting the eyes to scan in a straight line from the keyboard to the document stand to the screen, and thus minimising sideways movements of the head and eyes.
- + Reduction of eye and neck fatigue.
- + Matt coating to avoid disturbing reflections.

Other benefits

- + Large platform can take two A4 documents side by side.
- + Stepless inclination adjustment.
- + Durable and stabile steel construction.
- + Sliding line guide with an extra-powerful magnet.
- + The line guide magnet can be placed on either the right or left side, or the line guide can be completely removed if necessary.

Large platform can take two A4 documents side by side.

Document Stand Simple

Dimensions

375x260 mm

Product code

13004 - Document Stand SIMPLE
