

# Evoluent VerticalMouse VM Standard

---

Right-handed

The patented shape supports your hand in an upright neutral posture that generally avoids forearm twisting.

## Comfortable and easy to use

The shape is thoughtfully sculpted for comfort and easy-to-reach buttons.

## Optical sensor

Fixed resolution optical sensor provides quick and accurate tracking on most surfaces. Resolution 1500 DPI.

## Contoured thumb rest

The thumb rest is positioned to support the thumb at the proper height.

## Three buttons and a wheel

Three buttons provide left click, middle click, and right click. Pressing on the scroll wheel provides the middle click.

### **Finger groove prevents rubbing**

A contoured groove along the bottom edge prevents the last finger from rubbing the desk and enables the mouse to be easily lifted.

### **Wired USB**

Works with any operating system with USB mouse support. No driver is necessary.

## **Compatibility**

No driver necessary. Works with any operating system with USB mouse support.

## **Approved mouse of University of California at Berkeley**

The Evoluent VerticalMouse 2 (an earlier model identical in concept) was evaluated in 2007 by a team at the health services clinic in UC Berkeley, including medical doctors, physical therapists, ergonomists, and administrators. It was found to be comfortable, easily adapted to, and promote a neutral wrist and forearm posture. It was the only vertical type mouse approved for staff use within UC Berkeley and for sale in the campus store at that time.

\* The statements herein apply to some current or past users of Evoluent VerticalMouse, but since everyone is different, Evoluent makes no claim or representation that the Evoluent VerticalMouse will prevent, cure, or mitigate any medical condition, disease, injury, pain or discomfort for all users.

## **Evoluent suits for those allergic to rubber**

People allergic to rubber can use the Evoluent mice with no harm. There is no latex or rubber in the Evoluent mice. The scroll wheel, for example, is of silicone.

**Guarantee**

Evoluent mice have a guarantee of 2 years.

**Product code**
